It was noted that all scout groups are charities and can use the umbrella registration of the Scouts. Those meeting certain criteria are required to be independently registered and that 1st Clifton (York) Sea Scouts were proceeding with their registration.

5. Review of the previous year

- a. The Group Scout Leader's review of Scouting in 1st Clifton (York) Sea Scouts

The Group Scout Leader thanked everyone for attending noting that the attendees included some new faces and many old ones. He recorded his thanks to the significant number of people who worked to deliver the Group activities. He noted the fantastic job done by the leadership team but they required new volunteers to continue the work and offers spaces to young people within each section.

He thanked the Group Executive for all their hard work, keeping the Group running, noting that the Executive do exceptionally well to keep everything going. He particularly thanked the Chair for her continued support and help to run the Group and taking on some of his duties.

As a result of the transition to the Trustee and Operations Boards, he would be looking to recruit an Assistant Group Scout Leader from the leadership team. There would also be an increased recruitment campaign to increase the number of leaders and volunteers within the Group.

The establishment of the Operations Board would see the need for more volunteers to support the activities that keep the Group going.

The financial status of the Group was not as good as it had been previously. The aftermath of COVID had been a reduction in the number of members and the consequent loss of subscription income. Without new volunteers to lead the sections it would not be possible to return to the previous membership numbers and the Group would continue to struggle financially. However the future for the Group is still rosy and they would continue to work to get back to where they were pre-pandemic.

- b. To receive and consider the Annual Report of the Group Executive Committee including the annual Statement of the Accounts

The Annual Review had been circulated to members prior to the meeting and questions were invited before the Group Scout Council accepted the report. It was noted that reserves were set aside for specific purposes and a general reserve of

£2k for operating. Fundraising activities were reduced and it was anticipated that the registration as an independent charity would open up different avenues for income generation. Each of the reserve pots had a specific use and will be deployed for those purposes. The Group were looking at plans to return them to a stable and sensible financial position.

The Treasurer was thanked for her work on the Group finances.

It was anticipated that there would be two meetings per year of this Board with requests for action being emailed to the appropriate person.

Leaders and assistant leaders would be members of the Operations Board and over the coming weeks there would be requests for assistance via email to understand who is prepared to help and what they would be able to do. There would also be a number of title changes to reflect the new structure.
